

Join Ariadne PTO Partners and raise money for Theophany School!

Being parents we know the importance of your children's education; we also know the challenges of raising money for school activities. With this in mind we are introducing a new program called Ariadne PTO Partners.

Theophany School is registered for our PTO Partners Program and 5% of every purchase you make at Ariadne all year (even summer months) will be donated to Theophany School. Twice a year in December & June we will give a gift certificate for the same amount for your school to raffle for your fund raiser or to purchase food for an event. There is no limit to the amount that can be raised and this is good on any purchase in the restaurant, lunch dinner, cocktails, private parties, even take out, catering and gift cards.

You simply need to designate Theophany School by writing "Theophany School" on your receipt and give it to your server. Anyone can participate: grandparents, aunts, uncles, neighbors & friends. Help us help your kids.
