

Theophany School

Enrichment Programs

2018-2019

IN SCHOOL

Music with Ms. Despina focuses on the fundamentals of music using voice and instruments to allow students to express themselves musically

Movement with Dancy Nancy children move, dance, play and collaborate in this creative, kinesthetic class

Art with Ms. Sarah guides students as they create art, integrated with our curriculum, from observation, prompts, imagination, and memory

AFTER SCHOOL

Monday-Taste Buddies- teaches the basics of food prep so students gain confidence in this important life skill

Tuesday-It's All Greek to Me- incorporates conversational Greek with basic phonics along with the music and culture of Greece- OPA!

Wednesday-STEAM- cultivates a love of science, technology, engineering, art, and mathematics while encouraging creativity and resourcefulness

Thursday-Story Time and Craft-skillfully combines literacy learning and artistic expression

Friday-Soccer Shots- utilizes creative and imaginative games focusing on basic soccer skills
