

Theophany School

Enrichment Programs

IN SCHOOL

Music with Ms. Despina focuses on the fundamentals of music using voice and instruments to allow students to express themselves musically.

Movement & Music with Dancy Nancy allows the children to move, dance, play, and collaborate in this creative, kinesthetic class.

Art with Ms. Sarah guides students as they learn about different artists to create art, integrated with our curriculum, from observation, prompts, imagination, and memory.

AFTER SCHOOL

Monday—All Star Sports-focuses on a new sport each month integrating gross motor skills, coordination, and balance building leadership skills along with team work.

Tuesday—It's All Greek to Me-incorporates conversational Greek with basic phonics along with the music and culture of Greece. OPA!

Wednesday—STEAM-cultivates a love of science, technology, engineering, art, and mathematics while encouraging creativity and resourcefulness.

Thursday—Inventor's Creation-study of inventors and their inventions which allows designing, planning, and creation of own inventions.

Friday—Russian Folklore-explores the folktales, crafts, foods, traditions and culture of Russian heritage.
