

## Ms. Kristen – St. George's Pre-K / K

### Theme:

Once Upon A Star

### Theme:

This month, we followed the Star of Bethlehem with the wise men, and celebrated the spirit of Christmas!

### Math:

We started learning all about teen numbers in December! We noted that they always are two digits, and they always start with a one. We also laid the foundation for place value! For example, we talked about how 12 is a group of ten with 2 ones left over.

### Literacy:

Letters J, K, Ll, and Mm were mastered this past month! We have also been working hard on memorizing the spelling of our last names.

Hope all of the parents enjoyed their homemade 2017 calendars!

### Coming Up In January:

Theme: Polar Animals  
Literacy: Letters Nn, Oo, Pp. Sight words a, i, the, my, and.  
Math: Teen numbers and Patterns

### Reminders:

\*Please check both of your child's mailboxes each \* Homework goes home on Mondays and comes back on Fridays! \* Please pack your child gloves and at on cold days! \*

### Important Dates Coming Up:

12/23-1/2: Christmas break 12/27: Maria's Birthday 1/6: Theophany Feast 1/16: MLK Day- No School 1/31: Half Day
