

Ms. Kristen – St. George's Pre-K / K

Theme: When the Saints
Come Marching In
Author: Mercer Mayer

Math:
In November, much of our
math time was spent
continuing to learn our
numbers! We have now made
it through to 10!
We are still working on
identifying and continuing
patterns.

Saints:
We have learned so much
about Saints in general, and
all about the patron saints of
our classrooms and students!

Literacy:

In November, we learned letters Gg,
Hh, Ii, and Jj. We have now done A-J
in our literacy journals.

Now that we have nailed down the
spelling of our first names and our
friend's first names, we have started
working on last names!
Kindergarten students have recently
started working in their writing
journals, and will continue work with
their reading strategies.

Coming Up In December:

Letters- Jj, Kk, Ll, Mm
Numbers- Teen Numbers!
Theme: Once Upon A Star

Reminders:

Please check both of your child's mailboxes each day Homework goes home
on Mondays and comes back on Fridays! * Conferences on December 20

Important Dates We Celebrated This Month:

11/1- Christos
11/21- Entrance into the Temple of the Theotokos
11/24- Thanksgiving
