Welcome to Preschool and Happy New Year!!

We would like to welcome our new students Theodore and Cheng Yi to our brand new preschool classroom. In January, we will become familiar with our preschool schedule and daily routine, our new classroom, and make new friends. It is a special time for our new friends entering into Preschool.

We will begin to explore the seasonal changes of the winter as well as explore "where do the animals go in the winter?" We will integrate activities for discovery of winter animals, their winter homes, and arctic animals.

We will also focus on Letters Aa, Bb, and Cc. We will also experiment with water to make ice as well as experiment with salt on ice. We will observe, predict, and graph the results.

Songs/Poems:

Snowflake Dance

Hibernation

Bear is Sleeping

Snowflakes

Winter Animals

Important Dates:

January 6 - Feast of Theophany

January 16 - Martin Luther King Day
