Classroom News:

We had such a great first month. We have become familiar with our new classroom and daily schedule. We learned about letters A, B, and C with the following projects: glued Annie's animals on an uppercase A, for B made a birdfeeder that looked like a bird, and dressed ourselves in clothes for the cold for C. We also discussed how animals hibernate, completed our Hibernation Bulletin Board, and made Chilly Willy Circle Penguins.

For the month of February, "Oh, the Places We'll Go!" We will discuss transportation in the water, on the land, and in the air with a focus on planes, trains, and automobiles. Be sure to check out the Sensory Table as it will change weekly.

Our Dramatic Play area will become the Post Office. Be sure to look for some mail from your loved ones!! We will also wrap up each week with our Fun Friday Science Experiments!!

Important Dates:

February 2 - Presentation of Christ

February 17 - 9 Year Memorial for
